# SENIOR CLASS WILLS

I, Steve Dowell, being of stubborn mind and short body, do hereby will my hot temper to anyone who can handle it, and my ability to get a hair cut to Dave W.

I, Bob Diehm, being of sound mind and unstable body, do hereby will my fingernail biting ability to Betty Joe Zeitner for hers have pinched me one too many times. To Blaine Dowell I will my ability to get along with teachers.

I, Tim McAllister, being of half-way sound mind and unstable lips, do hereby will my ability not to squeal to Dave Monson; my basketball ability to Dave Jones, who needs all the help he can get; my ability to get kicked out of Mr. Monson's class to those who want to get out of his class; and my long hair to Pat Rodewald, who never washes or combs his.

I, Mike Bowman, being of sound mind and weak body, do hereby will my long, curly hair to Cathy Quiring and what little athletic ability I have to Loren Russell. Also, I will my ability to get kicked out of Mr. Monson's class to Laurie Meyer and my locker #1 in the gym to Don Poe.

I, Becky Purdy, do hereby will to whoever may need it most, my special tutoring sessions with Mr. Jambura before each of his tests.

I, Duane Beauchamp, being of sound mind and poor body, do hereby will my not being liked by teachers to John Dillard and my driving ability to Don Poe, who I think can keep up my reputation as a "hot rodder".

I, Madge Hart, do hereby will my ability to talk quietly to Cathy Quiring; my ability to keep a clean locker to Tracie Brown; my beautiful pink locker to Barb Poe, and my unfeminine personality to Karen Franklin.

I, Wayne Anderson, being of weak mind and weak body, do hereby will my running ability to Dave Jones; my drinking ability and sideburns to Don Poe; my green streakers to Pat Rodewald; and my long hair to Blaine Dowell.

I, Bill Dugger, being of sound mind and body, do hereby will my drinking ability and my ability to take chunks out of trees with the side mirror of my pickup to Loren Russell, and I will the empty beer bottles to Steve Montgomery for money for drinking.

I, Evert Redding, being of weak mind and sound body, do hereby will my ability to get along with teachers to Steve Montgomery, because he needs it badly, and I also will my favorite pasttime, goofing off and skipping classes, to Karen White and Linda Montgomery.

The Class of '74 would like to leave to the oncoming classes the good times and the bad times that we have had throughout our school years in hopes that they will have just as many! !
